

**Community and Faith Leaders including the InterFaith Leadership Council, Jewish Community Relations Council/AJC, Michigan Muslim Community Council, Christ Church Cranbrook, Metropolitan Christian Council- Detroit/Windsor, Chaldean Community Foundation, National Network of Arab American Communities and Take on Hate ask that you make the following important public commitment.**

**Commitment to be Resilient**

I believe  
that we are called to lift each other up,  
that we are stronger standing together,  
that our differences are a blessing,  
that empathy and love reveal the path to peace,  
and that justice will prevail,  
because each of us is Beloved.

Therefore, I commit to  
answer intolerance with goodwill,  
live by faith and hope, not fear,  
seek understanding and friendship whenever I can,  
stand with those facing prejudice and injustice,  
meet resistance with resiliency as I build the Beloved Community each day.
